

Legal Notice (Terms and Conditions)

Use of this website (the "Site") is subject to all of the terms and conditions of this legal notice (the "Legal Notice") and to all applicable laws. Accessing this Site by user ("User") constitutes User's consent to such terms and conditions. Forum Engineering Technologies Ltd. and its affiliates (collectively "Forum Engineering Technologies") maintains this Site for your personal information, education, and communication. By accessing and browsing the Site, User accepts, without limitation or qualification, the Terms and Conditions and acknowledges that any other agreements between User and Forum Engineering Technologies concerning the Site are superseded to the extent they conflict with these Terms and Conditions.

Your use of, or linking to, any content on the site, except as provided in these terms and conditions, is strictly prohibited. By accessing or using this Site, User acknowledges that User has read, understood and agreed to this Legal Notice. If User does not agree to this Legal Notice, User may not access or use the Site.

Terms and Conditions:

1. The content of the Site is the property of Forum Engineering Technologies and is protected by intellectual property laws. Except for non-commercial, personal use only, User shall not copy, modify, distribute or otherwise use the content of this Site, or any portion thereof, in any way without the prior written consent of Forum Engineering Technologies. Forum Engineering Technologies neither warrants nor represents that your use of material displayed on the Site will not infringe rights of third parties. Nothing contained on the Site should be construed as granting, any license or right to use any Forum Engineering Technologies intellectual property right (including, but not limited to any patent, trademark, trade name, copyright or trade secret).
2. User may download materials displayed on the Site for non-commercial, personal use only, provided User also retains all copyright and other proprietary notices contained in the materials or as specified on the Site. User may not, however, distribute, modify, transmit, reuse, re-post, or use the content of the Site, including the text, images, audio, and video, for public or commercial purposes.
3. Images of people or places displayed on the Site are either the property of, or used with permission by, Forum Engineering Technologies. The use of these images by User, or anyone else authorized by User, is prohibited unless specifically permitted by these Terms and Conditions or as provided elsewhere on the Site. Any unauthorized use of the images may violate copyright laws, trademark laws, the laws of privacy and publicity, and communications regulations and statutes. Users are also advised that Forum Engineering Technologies will aggressively enforce its intellectual property rights to the fullest extent of the law, including the seeking of criminal prosecution.
4. The trademark logos and service marks displayed on the Site (collectively the "Trademarks"), including Forum Engineering Technologies are registered and unregistered trademarks of Forum Engineering Technologies and others. Nothing contained on the Site should be construed as granting, any license or right to use any Trademarks without the written permission of Forum Engineering Technologies or such third party that may own the Trademarks.
5. Forum Engineering Technologies has not reviewed all of the sites linked to the Site and is not responsible for the content of any off-site pages or any other sites linked to the Site. Your linking to any other off-site pages or other sites is at your own risk.

6. While Forum Engineering Technologies uses reasonable efforts to include accurate and up to date information in the Site, Forum Engineering Technologies makes no warranties or representations as to its accuracy. Forum Engineering Technologies shall not be held responsible for any action taken that is based on the information presented on the Site, and all users of the Site agree that access and use of the Site is at the user's own risk. Forum Engineering Technologies assumes no liability or responsibility for any errors or omissions in the content of the Site.
7. The User's use of and browsing in the Site are at the User's own risk. Neither Forum Engineering Technologies nor any other party involved in creating, producing, hosting or delivering the Site is liable for any direct, incidental, consequential, indirect, or punitive damages arising out your access to, or use of, the Site or its contents. This Site and the materials contained therein are provided "AS IS" and without warranties of any kind, either expressed or implied. Any use of this Site and of the information therein is at User's sole responsibility. Forum Engineering Technologies is under no obligation to update the contents of the Site, and cannot and does not make any representation regarding the accuracy, completeness or timeliness of the content available through this Site and/or of the products and/or of the services mentioned in the Site. Forum Engineering Technologies shall not be liable for any error or omission and disclaims all warranties, express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose, title, or non-infringement, or warranties arising by course of dealing or custom of trade.
8. Forum Engineering Technologies also assumes no responsibility, and shall not be liable for, any damages to, for viruses or any other malware that may infect your computer equipment or other property on account of your access to, use of, or browsing in the Site or your downloading of any materials, data, text, images, video or audio from the Site.
9. Although Forum Engineering Technologies may from time to time monitor or review discussions, chats, postings, transmissions, message boards, and the like on the Site, Forum Engineering Technologies is under no obligation to do so and assumes no responsibility or liability arising from the content of any such locations nor for any error, defamation, slander, omission, falsehood, promotional materials, obscenity, pornography, danger, privacy disclosure or inaccuracy contained in any information within such locations on the Site. Users are prohibited from posting or transmitting any unlawful, promotional, threatening, libelous, defamatory, obscene, scandalous, inflammatory, pornographic, or profane material or any material that could constitute or encourage conduct that would be considered a criminal offense, give rise to civil liability, or otherwise violate any law. Forum Engineering Technologies will fully cooperate with any law enforcement authorities or court order requesting or directing Forum Engineering Technologies to disclose the identity of anyone posting any such information or materials.
10. Forum Engineering Technologies shall have no liability for losses or injuries resulting from, and/or in connection with, the information or lack of information provided hereunder and shall not be responsible for any damages arising to User and/or to any third party as a result of the access to, or inability to access, this Site. In no event will Forum Engineering Technologies be liable to User or any third party for any decision made or action taken, or not taken, by User or any third party in reliance on the content contained therein.
11. Forum Engineering Technologies maintains this Site as a service to the internet community. The Site has been designed to provide general information about Forum Engineering Technologies and its products. These pages are not intended to provide instruction on the appropriate use of products manufactured or sold by Forum Engineering Technologies or products currently under development by Forum

Engineering Technologies, its affiliates, related companies, or its licensors or joint venture partners.

12. Forum Engineering Technologies may revise this Legal Notice at any time by posting the revised Legal Notice on this Site. The continued use of the Site after the posting of revisions to this Legal Notice will constitute User's consent to such revisions. Users are bound by any such revisions and should therefore periodically visit this page to review the then current Terms and Conditions to which Users are bound.
13. The use of the Site and this Legal Notice shall be governed by and construed in accordance with the internal laws of the State of Israel, without giving effect to its rules of conflicts of laws and the competent courts in Tel Aviv, Israel, shall have sole and exclusive jurisdiction over every dispute arising from, or in connection with, this Legal Notice and the use of this Site.
